

## Temporary Duty (TDY) Travel Allowances

## § 301-70.805

written authorization by your agency's senior legal official is permitted.

(d) *For all other travel.* (1) Your agency's designated travel approving official (or anyone to whom he/she delegates this authority and who is at least one organizational level above the traveler) must authorize, in advance and in writing, all other travel on Government aircraft (*i.e.*, by passengers, crewmembers, or qualified non-crewmembers) that is not covered in paragraphs (a), (b), and (c) of this section. In an emergency situation, prior verbal approval with an after-the-fact written authorization by your agency's designated travel approving official is permitted. If your agency wishes to issue blanket travel authorizations that authorize travel on Government aircraft, such blanket authorizations must define the circumstances that must be met for using Government aircraft in compliance with this regulation and any additional agency policies. Travel on Government aircraft that does not meet the circumstances specified in the blanket travel authorization must be authorized on a trip-by-trip basis in accordance with this regulation and other applicable agency policies.

(2) When authorizing space available travel (except as authorized under 10 U.S.C. 2648 and regulations implementing that statute), you must ensure that the aircraft management office in the agency that owns or hires the aircraft has certified in writing before the flight that the aircraft is scheduled to be used for a bona fide governmental function. Bona fide governmental functions may include support for official travel. The aircraft management office must also certify that carrying a traveler(s) in space available does not cause the need for a larger aircraft or result in more than minor additional cost to the Government. The aircraft management office must retain this certification for two years. In an emergency situation, prior verbal confirmation of this information with an after-the-fact written certification is permitted.

### **§ 301-70.804 What amount must the Government be reimbursed for travel on a Government aircraft?**

(a) No reimbursement is required for official travel on a Government aircraft.

(b) For personal travel on Government aircraft, reimbursement depends upon which of the following special cases applies:

(1) You must require a traveler on required-use travel to reimburse the Government for the excess of the full coach fare for all flights taken on a trip over the full coach fare for the flights that he/she would have taken had he/she not engaged in personal activities during the trip; and

(2) No reimbursement is required for travel authorized under 10 U.S.C. 2648 and regulations implementing that statute, or when the traveler and his/her dependents are stationed by the Government in a remote location with no access to regularly scheduled commercial airline service.

(c) For political travel on a Government aircraft (*i.e.*, for any trip or part of a trip during which the traveler engages in political activities), you must require that the Government be reimbursed the excess of the full coach fare for all flights taken on the trip over the full coach fare for the flights that the traveler would have taken had he/she not engaged in political activities, except if other law or regulation specifies a different amount (see, *e.g.*, 11 CFR 106.3, "Allocation of Expenses between Campaign and Non-campaign Related Travel"), in which case the amount reimbursed is the amount required by such law or regulation.
